

How To: Make a Payment Online

How To: Make a Payment Online

From your Open Invoices 4 page, you can make a payment by Credit Card.

You may select to pay current balance, pay a fixed amount, or enter in particular payment amounts per invoice to pay.

Once you select "Make a Payment" you will be prompted to enter in your 5 credit card details.

Please review total payment amount and select submit to process.

▼ View Our Privacy and Security Policies

Privacy Policy We respect and are committed to protecting your privacy. We may collect personally identifiable information when you visit our site. We also automatically receive and record information on our server logs from your browser including your IP address, cookie information and the page(s) you visited. We will not sell your personally identifiable information to anyone.

Your payment and personal information is always safe. Our Secure Sockets Layer (SSL) software is the industry standard and among the best softw vailable today for secure commerce transactions. It encrypts all of your personal information, including credit card number, name, and address, so that it cannot be read over the internet.

Refund Policy

Please contact office management for any and all refund requests

Please note our privacy and 6 security policies that are viewable when entering in your credit card details.

No credit card information is saved on our site and all payments are encrypted for your security and privacy.
