

FRESH ORIGINS

MICROGREENS & EDIBLE FLOWERS

Fresh Origins is America's leading grower of Microgreens and Edible Flowers. Our mild climate here in sunny San Diego is perfect for growing high quality, healthy Microgreens and Edible Flowers. Our farming experts practice sustainable growing methods that allow for daily planting throughout the year to ensure consistent availability and a fresh harvest. We have an extensive variety of Microgreens, Shoots, Petite™ Greens, Edible Flowers, Tiny Veggies™, and specialty items. Impress your guests with Fresh Origins Microgreens!
