

# Pure Foodservice Joy

As a family of passionate tortilla visionaries, Mi Rancho® has flourished by providing exceptional Foodservice tortillas to taquerias, local restaurants and national accounts since 1939. We pride ourselves on the discerning quality of our ingredients, recipes and production methods. Our company is committed to producing tortillas that you can trust are safe and wholesome, as seen with our extensive food safety audits and certifications. State-of-the-art automated equipment produces authentic tortillas at high volumes with consistent quality, flavor and texture.

In addition to our wide variety of products, we're willing to work with you to customize products to meet your specifications for weights, sizes and textures. Mi Rancho's goal is to provide our customers with the best tasting and most innovative products. We don't want to be the biggest tortilla manufacturer; we just want to make the best tortillas.

## Corn Tortillas

Mi Rancho corn tortillas are made the old-world way with Non-GMO whole kernel corn grown exclusively in the Sacramento Valley with an authentic flavor and texture that can only come from a proven approach that Mi Rancho has used for more than 75 years.

For generations, Mi Rancho has made delicious corn tortillas the traditional way: using whole grain corn cooked with lime, then stone-ground with our hand-carved lava stones into fresh masa. Mi Rancho corn tortillas have a genuine flavor that originates from being crafted with real corn. Their superior taste and performance is ideal for any application from tacos and taquitos to table use.

## Flour Tortillas

Mi Rancho flour tortillas are baked in small batches to ensure that each tortilla is soft, fluffy and easy to roll.

We take the time to slowly proof the dough before the tortillas are heat pressed, baked and gently cooled for packaging. The result is soft, pliable tortillas that are ready for any application – from fajitas and burritos to soft tacos and quesadillas.

## Corn Pre-Cut Chips & Strips

Our pre-cut chips and strips are made from stone-ground corn for an irresistible taste and texture. The chips and strips are fully cooked tortillas that are pre-cut and ready to fry to crispy perfection. They're available in white, yellow, blue, red and tri-color with a choice of thickness, shapes and sizes – we're sure to have just what you need.

## Specialty Wraps & Tortillas

Our specialty wraps and tortillas will perk up any dish with the irresistible aroma, vibrant color and taste of fresh herbs and spices. They're available in a variety of sizes and delicious flavors: chile tomato, chipotle, spinach, garlic herb, lemongrass, tomato basil and wheat.

## Fried Chips & Tostadas

Mi Rancho pre-fried tortilla chips are made with fresh corn for flavor that bursts through with every bite. Ready to enjoy, Mi Rancho pre-fried light and crispy tortilla chips are available in white and yellow, in both triangles and rounds.

## Organic & Healthy Mex

Mi Rancho Organic & Healthy Mex tortillas aren't just great tasting, but they're better for you. Today's customer is discerning, requiring not just a delicious tortilla, but one that's wholesome and hearty, too. Mi Rancho Organic & Healthy Mex tortillas were made with these customers in mind. We offer a wide variety of products including organic, Non-GMO and all natural tortillas as well as blended corn tortillas made from a combination of corn and flour.

## Masa

Mi Rancho masa is incomparable, made daily from freshly ground whole corn kernels for real corn flavor. To ensure authenticity, Mi Rancho grinds its corn with hand-carved lava stones.

Whether you're making tamales or tortillas, Mi Rancho masa is old world and authentic. Our masa comes ready to use and is sure to be the highlight of your dish.

## Certifications

Our mission is to provide our customers with the highest level of quality and consistency in all our traditional, innovative and customized food products.
