

# COOK LIKE YOU CARE

## Non-Stick Cooking Spray

Propellant-Free | Fully Recycleable | Non-Aerosol

Our non-stick cooking spray contains just two natural ingredients and is chemical-free with no palm oil and no preservatives or propellants—just expeller-pressed non-GMO oil and plant-based lecithin to give non-stick ease for all your cooking needs. Our cooking spray is made with canola oil, offering neutral high-heat versatility. Our can utilizes a BPA-free bag with just canola oil and lecithin, surrounded by compressed air to deliver clean ingredients without harm to the environment. Without propellants or chemicals, our non-stick cooking spray is fully recycleable.

**Ingredients:** Canola Oil, Soy Lecithin
