

KAYLIN+KAYLIN PICKLES

HAPPINESS IN EVERY CRUNCH

After spending almost 30 years working in NYC, I found myself on the West Coast becoming my best self. However, one thing was missing: New York style pickles. Well, honestly, even just an edible pickle. And that's when I realized I had no choice but to make it easy for everyone to enjoy what I grew up knowing and loving.

Whether looking for pickles that are fermented, brined, the perfect addition to any recipe, or a salty, standalone snack, each of our 12 flavors are crafted to cure any craving, and keep tastebuds buzzing for more. Kaylin + Kaylin brings a modern approach to a timeless food that can be enjoyed wherever, whenever, and by whomever.
